

WORKSHEET 1

Brainstorming Program Values & Goals

Use this worksheet to brainstorm core program values. There is space to note values and goals from different groups who may provide input. Adapt it to fit the perspectives you want to gather.

Program Staff

What do you want program participants to experience?

Community Partners

When you refer someone to the program, what do you hope they will experience?

Individuals Impacted by the Program

From your experience, what should this program value most?
